

EVANGELIST TO RELATE EUROPEAN EXPERIENCES

Evangelist Bob Herald opens revival meetings in the Torrance Foursquare Church located at 1297 El Prado, Sunday night April 22, at 7:30 o'clock.

Evangelist Herald has recently returned from a 20,000-mile trip through thirteen countries of Europe. He and two other ministers made this trip under the auspices of the Youth for Christ, International.

During this trip he conducted revival meetings and gathered first-hand information. He had some very thrilling experiences on the border of Russia, in-

cluding visits to the torture camps which still stand with the memories of horrible suffering. Herald will preach nightly except Monday and Saturday at 7:30 o'clock. On Friday night he

Doctrine of Atonement in Sunday Lesson

Salvation here and now from human ills is possible for all who faithfully follow the example set by Christ Jesus according to the Sunday Bible Lesson on "Doctrine of Atonement" in all Christian Science churches.

The Golden Text from I Timothy (2:5,6) declares, "There is one God, and one mediator between God and men, the man Christ Jesus; who gave himself a ransom for all, to be testified in due time."

In a Bible selection from I Thessalonians (5:9,10) Paul says, "For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that, whether we wake or sleep, we should live together with him."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Whosoever believeth that wrath is righteous or that divinity is appeased by human suffering, does not understand God." "Wisdom and Love may require many sacrifices of self to save us from sin . . . The atonement requires constant self-immolation on the sinner's part." (pgs. 22,23).

Youth For Christ Leader To Address Local Church

LeRoy Young, Youth for Christ director for Harbor area, will be guest speaker at the Nazarene church, 1501 West Carson street, this coming Sunday evening at 7:30.

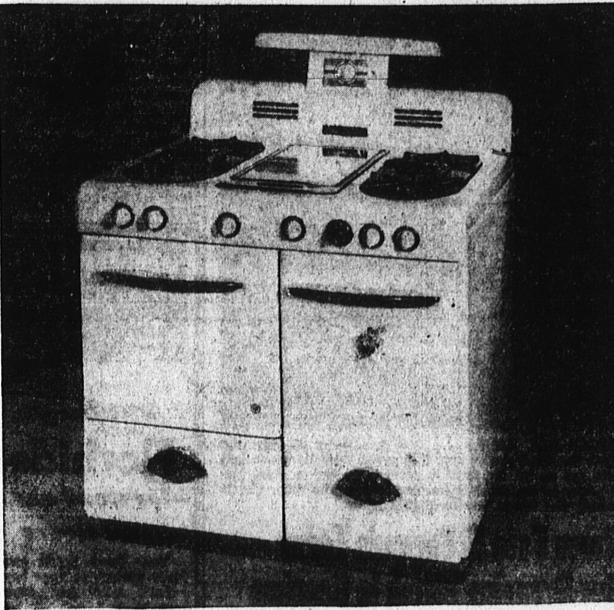

"Helps to Christian Living" will be the theme for Pastor W. A. Penner's message Sunday morning at 11. Ground will be broken for a new church school unit Saturday morning, April 21, at 9, according to Rev. Penner. This new unit is much needed by the church to promote Sunday school work.

Rev. Miller to Deliver Sermon On the Stewardship of Thinking

"The Stewardship of Thinking" will be the theme of the sermon by Rev. Clarence E. Miller at the First Methodist Church at 10:50 Sunday morning. The sermon will be based on the question asked by Jesus in Matthew 18:12, "How Think You?" In announcing the theme, Rev. Miller said, "Jesus asked this question in relation to the story of the lost sheep in which the shepherd left the 99 and went after the one that was lost. The emphasis is placed on the value of the individual personality. In these days when we are sending thousands of our finest young men to die on the battlefields, we need to do some serious thinking about applying Christian principles to our international problems."

A special welcome will be given to all visitors who attend the Methodist Church, by the church host, William Creighton and the hosts committee headed by Mrs. Grace Hooper. The seating of the congregation in the comfortable new mahogany pews is directed by Robert Reid and his committee of ushers made up of members of the Methodist Men's Club. Babies and small children are cared for in the nursery during the church service by Mrs. Camilla Holphand, assisted by others. The church school, with Lester Foster as general superintendent, provides opportunity for worship and study for all ages
